

# WASTEWATER RECEIVING STATION HAULING AGREEMENT

THIS AGREEMENT dated this \_\_\_\_\_ day of \_\_\_\_\_, 2023.

BETWEEN:

**NORTH RED DEER REGIONAL WASTEWATER SERVICES COMMISSION**

(hereinafter collectively referred to as the "Commission")

-and-

\_\_\_\_\_  
(the "Customer")

## AUTHORIZED CUSTOMER AGREEMENT

WHEREAS:

- A. The Commission is the Owner and Operator of the Commission Wastewater System including the Wastewater Receiving Station located within the City of Lacombe at 5610 34 Street, Lacombe Alberta;
- B. Pursuant to the Wastewater Receiving Station Hauling Agreement, the Commission has agreed to receive Wastewater from the Customer, the through the Commission to transmit, treat and dispose of the wastewater received from the Customer;
- C. Pursuant to the Wastewater Receiving Station Hauling Agreement, the Customer has agreed to receive wastewater from their customers or clients, and deliver the wastewater to the Commission at the Commission's Wastewater Receiving Station;
- D. In order for the Customer to be entitled to access the Commission Wastewater Receiving Station, the Commission has required that the Customer enter into this Agreement with the Commission to authorize the Customer to deliver Wastewater to the Commission Wastewater Receiving Station.

**NOW THEREFORE, IN CONSIDERATION** of the mutual promises, terms, covenants and conditions contained herein, the parties hereto agree as follows:

## **ARTICLE 1 - DEFINITION**

1.1 In this Agreement:

- (a) **'Agreement'** means this Agreement together with any amendments hereto or extensions hereof, provided that such amendments or extensions are in writing and signed by each of the parties;
- (b) **'Alberta Environment and Parks (AEP)'** means the Alberta Ministry of Environment;
- (c) **'Commission Wastewater Receiving Station'** means the Wastewater receiving station owned and operated by the Commission and identified within Schedule "A" attached to this Agreement;
- (d) **'Commission Wastewater System'** means the Commission Wastewater Receiving Station, together with all Wastewater lagoons, collection and transmission system owned and operated by the Commission which includes all real and personal property of every kind, nature and description including all pumps, pipelines, valves, appurtenances, pumping stations and metering facilities wherever located;
- (e) **'Force Majeure'** means any act of God, major storms, civil disturbance or any similar major event or occurrence not within the control of a party and which by the exercise of due diligence by such party could not have been prevented, but lack of funds on the part of such party shall be deemed not to be a Force Majeure;
- (f) **'Non-Permitted Substance'** means any substance at a concentration or mass loading that:
  - i. is not contemplated by or exceeds the limits found in the Commission's permits or approvals issued by Alberta Environment and Parks and Environment Canada;
  - ii. violates any applicable legislation or regulations in force from time to time; or
  - iii. is listed as such within the Wastewater Requirements or is present in quantities that exceed the parameters listed within the Wastewater Requirements;
- (g) **'Standard Operating Procedures'** means those standard operating procedures and guidelines established from time to time by the Commission with respect to the operation of the Commission Wastewater System including, without restriction, the

operation of, access to, and deposit within the Commission Wastewater Receiving Station forming part of the Commission Wastewater System;

- (h) **'Safe Work Practice'** means procedures and guidelines established from time to time by the Commission with respect to the operation of the Commission Wastewater System;
- (i) **'Wastewater'** means any and all wastewater that:
  - i. is the composite of liquid and water-carried wastes associated with the use of water for drinking, cooking, cleaning, washing, hygiene, sanitation or other domestic purposes;
  - ii. originates from one or more Parcels of Land within municipal boundaries;
  - iii. contains no Non-Permitted Substances; and
  - iv. otherwise complies with the Wastewater Requirements;
- (j) **'Wastewater Requirements'** means the requirements, limits, and criteria respecting the quality of wastewater received at the Commission Wastewater Receiving Station, established from time to time by:
  - i. the Commission;
  - ii. the City of Red Deer, to the extent that all or any portion of the Wastewater received from the Customer is ultimately transmitted, treated or disposed of under agreement between the Commission and the City of Red Deer;
  - iii. as may be established by policy, municipal bylaw or otherwise, and communicated to the Customer by the Commission, which requirements shall include, without restriction, those set forth within Schedule "B" attached to this Agreement.

## **ARTICLE 2 - PREAMBLE AND SCHEDULES**

- 2.1 The parties hereby confirm and ratify matters contained and referred to in the Preamble to this Agreement and agree that the same and various schedules hereto are expressly incorporated into and form part of this Agreement.
- 2.2 The schedules to this Agreement are as follows:
  - Schedule A Commission Wastewater Receiving Station; and**
  - Schedule B Wastewater Requirements.**

### **ARTICLE 3 - DISPOSAL OBLIGATIONS OF THE COMMISSION**

3.1 The Commission shall:

- (a) accept Wastewater that is delivered to the Commission Wastewater Receiving Station by the Customer during the regular business hours of the Commission and transmit, treat and dispose of, or cause to be transmitted, treated and disposed of, the Wastewater in accordance with the Standard Operating Procedures, Safe Work Practices, applicable environmental licenses and applicable legislation or regulations in force from time to time;
- (b) take all reasonable steps to provide notice to the Customer of any:
  - i. proposed new or amended Standard Operating Procedures, Safe Work Practices and regulations applicable to the obligations of the parties hereto as soon as practicable following their proposal;
  - ii. new or amended Standard Operating Procedures, Safe Work Practices and regulations applicable to the obligations of the parties hereto within one (1) month following their passage or establishment; and
  - iii. amendments or alterations to the Standard Operating Procedures and Safe Work Practices;
- (c) at its sole cost and expense, maintain all necessary permits, licenses, consents and approvals required by all authorities having jurisdiction with respect to the operation of the Commission Wastewater System; and
- (d) provide a pin and pass code to the Customer, to permit access to the Commission Wastewater Receiving Station.

### **ARTICLE 4 - OBLIGATIONS OF THE CUSTOMER**

4.1 The Customer shall:

- (a) only deliver wastewater to the Commission Wastewater Receiving Station that has originated from a source within the municipal boundaries of the Customer or from other customers or clients of the Customer, such customers or clients must be identified in writing by the Customer and be given to the Commission;
- (b) conform to the Standard Operating Procedures and Standard Safety Procedures;
- (c) maintain and carry in each and every vehicle belonging to the Customer a manifest in form and content acceptable to the Commission, in its unfettered discretion, and

- immediately deliver such manifest, or a true copy thereof, to the Commission upon arrival at the Commission Wastewater Receiving Station;
- (d) execute and comply with any road use agreement which may be required by the local municipality within which the Customer carries on business; and
  - (e) obtain and maintain, at its sole cost and expense, all necessary permits, licenses, consents and approvals required by all authorities having jurisdiction including, but not limited to, Alberta Environment with regard to the obligations of the Customer hereunder.
- 4.2 The Customer acknowledges that the Commission shall not be responsible for any payment, remuneration or fees that are due and owing to the Customer for the services that it provides for the collection, transportation and delivery of Wastewater.

#### **ARTICLE 5 – INSURANCE**

- 5.1 Throughout the Term, at its sole cost and expense, the Customer shall take out and keep in full force and affect the following insurance:
- (a) comprehensive general liability insurance with inclusive limits of not less than Two Million (\$2,000,000.00) Dollars per occurrence;
  - (b) automobile liability insurance on all vehicles used to deliver the Wastewater that are owned, operated or licensed either by the Customer, with limits of not less than Two Million (\$2,000,000.00) Dollars per occurrence for bodily injury, death, and property damage;
  - (c) worker's compensation coverage (WCB) for all personnel who are involved in the collection, transport and delivery of wastewater in accordance with the laws of the Province of Alberta; and
  - (d) any other form of insurance that the Commission or Customer may reasonably require from time to time in form, in amounts and for insurance risks against which a prudent party under similar circumstances would insure.
- 5.2 All policies shall be taken out with insurers and shall be in a form acceptable to the Commission, acting reasonably. Certificates of insurance and summary reports relating to each insurance policy acceptable to the Commission shall be delivered by the Customer to the Commission as soon as practicable after the placing of the required insurance. All policies shall contain an undertaking by the insurers to notify the Commission in writing of any material change, cancellation or termination of any

provision of any policy not less than thirty (30) days prior to the material change, cancellation or termination thereof.

- 5.3 If the Customer fails to maintain the currency of any policy contemplated by this Article 5, without prejudice to any of its other remedies pursuant to this Agreement, the Commission will have the right to obtain such insurance policy as contemplated in this Article 5 at the sole expense of the Customer, which expense shall be payable by the Customer to the Commission on demand.
- 5.4 The acquisition and maintenance by the Customer of the insurance policies as required pursuant to this Article shall, in no matter whatsoever, limit or restrict the liability of the Customer under this Agreement.

#### **ARTICLE 6 - INDEMNITY BY CUSTOMER**

- 6.1 Subject to the requirements of this Article 6, the Customer shall be liable for and shall defend, indemnify and keep indemnified and save harmless the Commission, its directors, officers, employees, contractors, agents and representatives (the "Indemnified Parties") from and against all liabilities, losses, costs, damages, legal fees (on a solicitor and his own client full indemnity basis), disbursements, fines, penalties, expenses, all manner of actions, causes of action, claims, demands, suits and proceedings, of whatever kind or nature, which the Indemnified Parties may sustain, pay or incur or which may be alleged or made against the Indemnified Parties, and whether or not incurred in connection with any action or other proceedings or claims or demands made by a third party against any or all of the Indemnified Parties, relating to the acceptance, transmission, treatment and disposition of Wastewater received at the Commission Receiving Station, including, without in any way limiting the generality of the foregoing:
- (a) the cost of defending, counter-claiming or claiming against third parties;
  - (b) any costs, liabilities or damages to be paid arising out of a judgment;
  - (c) any costs, liabilities or damages to be paid arising out of a settlement of any action or matter entered into by the Commission, with the prior written consent of the Customer, such consent not to be unreasonably withheld by the Customer; the cost of repair, clean-up or restoration paid or payable by the Indemnified Parties and any fines levied against the Indemnified Parties pursuant to the Environmental Protection and Enhancement Act (Alberta);
  - (d) matters related directly or indirectly to any violation of the Environmental Protection and Enhancement Act (Alberta) or any other statute, regulation or other guidelines; and

(e) matters relating to the misconduct, wilful action or wilful failure to act, negligent action or negligent failure to act, as the case may be, of the Customer and/or any of those persons for whom the Customer is responsible at law.

6.2 The Commission shall give to the Customer written notice of any liability, loss, costs, damages, legal fees, disbursements, fines, penalties, expenses, actions, claims, demands and proceedings for which the Indemnified Parties may be liable and which are within the scope of Section 6.1, as soon as practicable after the Commission becomes aware of the same and the delivery of such notice will be deemed to constitute demand for the Customer to defend, indemnify and keep indemnified and save harmless the Indemnified Parties pursuant to Section 6.1 hereof. The Customer and the Commission shall consult and co-operate:

- (a) in determining whether a claim or any legal proceedings resulting therefrom should be defended, compromised or settled; and
- (b) in each such defence, compromise and settlement and the Commission shall continue to defend or resist any claim for which indemnification is sought, if so requested by the Customer.

Neither party hereto shall settle or compromise any claim without the prior written consent of the other party, which consent which shall not be unreasonably withheld. The Commission may elect, by notice to that effect to the Customer, not to have the Customer resist any such claim, and, in such event, the Customer shall be released from all obligations to make payment to the Indemnified Parties on account of the particular claim. The provisions of this Article 6 are in addition to and shall not prejudice any other rights of the Commission at law or in equity.

6.3 The indemnifications set forth in Section 6.1 hereof shall survive the termination of this Agreement for whatever cause, as the case may be.

6.4 The indemnifications set forth in Section 6.1 hereof shall not apply for the benefit of any of the Indemnified Parties to the extent that the liability referred to is determined by:

- (a) agreement between the Commission and the Customer or;
- (b) a court of competent jurisdiction

to have arisen out of any wilful act or omission or negligent act or omission of any of the Indemnified Parties. For the purposes of this Section 6.4, wilful act does not include the receipt, transmission, treatment and disposition of wastewater by the Commission in accordance with this Agreement.

## ARTICLE 7 - ENVIRONMENTAL LIABILITY

7.1 In the event that:

- (a) any legislation, regulations or by-laws are violated, or
- (b) the limits found in the Commission's permits, licenses, consents or approvals are exceeded; or
- (c) the Commission becomes aware of the existence of any liability or potential liability pursuant to any legislation or regulations in force from time to time having application to either of the parties, or the subject matter of this Agreement; or
- (d) the Wastewater contains any Non-Permitted Substance,

without prejudice to any other remedy which the Commission may have against the Customer, the Commission may:

- (e) take whatever steps as are reasonably necessary to rectify the situation contemplated in this Section, and in such event the costs of taking such steps as are reasonably necessary to rectify such situation plus an administrative charge of twenty (20%) percent of such costs, shall be payable by the Customer to the Commission on demand; and
- (f) in addition to all remedies available to the Commission, including, without limitation, the remedy in Section 7.1(e) hereof, after providing:
  - i. firstly, verbal notice to the Customer of the Commission's intention to refuse to accept delivery of wastewater; and
  - ii. secondly, written notice to the Customer of the Commission's intention to refuse to accept delivery of wastewater;
  - iii. Finally, refuse further delivery of wastewater from the Customer.

## ARTICLE 8 - DEFAULT

8.1 This Agreement may be terminated by either party (the "Notifying Party") upon notice to that effect delivered to the other party (the "Defaulting Party"), if:

- (a) the Defaulting Party makes an assignment of its assets for the benefit of its creditors (other than as security for indebtedness not yet due and owing) or

makes a proposal to its creditors under any bankruptcy or insolvency legislation of any relevant jurisdiction;

- (b) a petition in bankruptcy is filed and presented against the Defaulting Party;
- (c) a receiver, receiver and manager, custodian or similar agent is appointed in relation to the Defaulting Party;
- (d) a receiver, receiver and manager, custodian or similar agent takes possession of any property or business of the Customer;
- (e) the Defaulting Party seeks protection of the Bankruptcy and Insolvency Act, Companies' Creditors Arrangement Act or like legislation;
- (f) the Defaulting Party ceases or threatens to cease to carry on its business;
- (g) the Defaulting Party suffers the permanent loss of any permit, license or approval issued by Alberta Environment or any other party with the authority to issue such permit, license or approval necessary to permit the Defaulting Party to carry out its obligations pursuant to this Agreement; or
- (h) the Defaulting Party neglects or fails to observe, perform or comply with any of its obligations pursuant to this Agreement including, without limitation, an event contemplated in Article 7 "Environmental Liability", and such failure continues for a period of thirty (30) days following the date of receipt of a notice to that effect from the Notifying Party provided that if such neglect or failure is not capable of being cured within thirty (30) days as aforesaid but can be cured within a commercially reasonable period of time by a commercially reasonable effort by the Defaulting Party and the Defaulting Party has not commenced to cure such neglect or failure within the said thirty (30) day period or has not continued to effectively and diligently cure such neglect or failure within such commercially reasonable period of time in accordance with this Agreement, and
- (i) such termination shall not limit in any way, the Notifying Party's recourse to any remedies to it available at law, equity or otherwise and in no event shall the Defaulting Party be relieved of any of its obligations accruing prior to the effective date of such termination.

8.2 Notwithstanding any provision contained herein to the contrary, this Agreement may be terminated by either party by delivery of written notice to the other party to that

effect, such termination to become effective ninety (90) days after the delivery of such written notice.

- 8.3 Notwithstanding any provision contained herein to the contrary, if the Wastewater Hauling Agreement is terminated, this Agreement shall be deemed to have been terminated effective as at the same date and time that the Wastewater Hauling Agreement is terminated without any requirement for notice by one party to the other.
- 8.4 Notwithstanding any provision contained herein to the contrary, the Commission may terminate this Agreement upon delivery of written notice to the Customer to that effect if the Customer delivers or attempts to deliver to the Commission Receiving Station any:
- (a) Non-Permitted Substance;
  - (b) Blacklisted at other Wastewater Receiving Stations in Central Alberta.

#### **ARTICLE 9 - FORCE MAJEURE**

- 9.1 If the parties shall fail to meet their respective obligations hereunder within the respective time prescribed therefor and such failure shall be directly caused or materially contributed to by Force Majeure, such failure shall be deemed not to be a breach of the obligations of such party, provided that, in such event, such party shall use its commercially reasonable efforts to put itself in a position to carry out its obligations hereunder as soon as reasonably possible, to the extent that it is within its power.

#### **ARTICLE 10 – GENERAL**

##### **10.1 Notices:**

Whether or not so stipulated herein, all notices, communication, requests and statements (in this Section 10.1, the "Notice") required or permitted hereunder shall be in writing. Notice shall be served by one of the following means:

- (a) personally, by delivering it to the party on whom it is to be served at the address set out herein, provided such delivery shall be during normal business hours. Personally delivered Notice shall be deemed received when actually delivered as aforesaid and addressed as specified in subsection (c) below; or

- (b) by fax, email or by any other like method by which a written or recorded message may be sent, directed to the party on whom it is to be served at that address set out herein. Notice so served shall be deemed received on the earlier of:
  - i. upon transmission with answer back confirmation if received within the normal working hours of the business day; or
  - ii. at the commencement of the next ensuing business day following transmission with answer back confirmation thereof; or
  
- (c) by mailing via first class registered post, postage prepaid, to the party on whom it is served. Notice so served shall be deemed to be received six days after the date it is postmarked. In the event of postal interruption, no notice sent by means of the postal system during or within seven days prior to the commencement of such postal interruption or seven days after the cessation of such postal interruption shall be deemed to have been received unless actually received;

10.2 Address for Notices:

Whether except as herein otherwise provided. Notice required to be given pursuant to this Agreement shall be deemed to have been received by the addressee on the date received when served by hand or courier, or ten days after the same has been mailed in a prepaid envelope by single registered mail to:

(a) **the Customer:** \_\_\_\_\_

**Address:** \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Attention:** \_\_\_\_\_

**Phone:** \_\_\_\_\_

**Email:** \_\_\_\_\_

**(b) the North Red Deer Regional Wastewater Services Commission:**

**Address:** 5432-56 Ave, Lacombe Alberta. T4L 1E9

**Attention:** Jordan Thompson, Administrator

**Phone:** (403) 782-6666

**Email:** [jthompson@lacombe.ca](mailto:jthompson@lacombe.ca)

or to such other address as each party may from time to time direct in writing.

10.3 Governing Law:

This Agreement shall be construed and governed by the laws of the Province of Alberta and the laws of Canada applicable therein and the parties hereto irrevocably attorn to the exclusive jurisdiction of the Courts of the Province of Alberta.

10.4 Time of Essence:

Time shall be of the essence of this Agreement.

10.5 Headings:

The headings, captions, paragraph numbers, sub-paragraph numbers, article numbers and indices appearing in this Agreement have been inserted as a matter of convenience and for reference only and in no way define, limit, construct or enlarge the scope or meaning of this Agreement or any provisions hereof.

10.6 Relationship between Parties:

Nothing contained herein shall be deemed or construed by the parties nor by any third party, as creating the relationship of principal and agent or of partnership, employer and employee, or joint venture between the parties, it being understood and agreed that none of the provisions contained herein nor any act of the parties shall be deemed to create any relationship between the parties other than an independent service agreement between two parties at arm's length.

10.7 No Authority:

Except as may from time to time be expressly stated in writing by the one party, the other party has no authority to assume or create any obligation whatsoever, expressed or implied, on behalf of or in the name of the other party, nor to bind the other party in any manner whatsoever.

10.8 Agreement Entire Relationship:

The parties acknowledge that there are no covenants, representations, warranties, agreements or conditions expressed or implied, collateral or otherwise forming part of or in any way affecting or relating to this Agreement save as expressly set out in this Agreement and that this Agreement constitutes the entire agreement between the Customer and the Commission.

10.9 Further Assurances:

The parties and each of them do hereby covenant and agree to do such things and execute such further documents, agreements and assurances as may be necessary or advisable from time to time in order to carry out the terms and conditions of this Agreement in accordance with their true intent.

10.10 Amendments:

This Agreement may not be altered or amended in any of its provisions, except where any such changes are reduced to writing and executed by the parties.

10.11 Waiver:

No consent or waiver, express or implied, by either party to or of any breach or default by the other party in the performance by the other party of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance of obligations hereunder by such party hereunder. Failure on the part of either party to complain of any act or failure to act on the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of its rights hereunder.

10.12 Counterparts:

This Agreement may be executed in several counterparts each of which when so executed shall be deemed to be an original, and such counterpart shall constitute the one and same instrument and notwithstanding their date of execution shall be deemed to bear date as of the Effective Date.

10.13 Statutory Reference:

Any reference to a statute shall include and shall be deemed to be a reference to such statute and to the regulations made pursuant thereto and promulgated thereunder with all amendments made thereto and in force from time to time, and to any statute or regulation that may be passed which has the effect of supplementing or superseding the statute so referred to or the regulations made pursuant thereto.

10.14 Unenforceability:

If any term, covenant or condition of this Agreement or the application thereof to any party or circumstances shall be invalid or unenforceable to any extent the remainder of this Agreement or application of such term, covenant or condition to a party or circumstance other than those to which it is held invalid or unenforceable shall not be affected thereby and each remaining term, covenant or condition of this Agreement shall be valid and shall be enforceable to the fullest permitted by law.

10.15 Survival:

The provisions contained in Article 6 herein shall survive the expiry or termination of this Agreement for the benefit of the party relying upon the same and shall not be merged therein or therewith.

10.16 Remedies Generally:

Mention in this Agreement of any particular remedy of a party in respect of a default by the other party does not preclude the first party from any other remedy in respect thereof, whether available at law or in equity or by statute or expressly provided for in this Agreement. No remedy shall be exclusive or dependent upon any other remedy, but a party may from time to time exercise any one of more of such remedies generally or in combination, such remedies being cumulative and not alternative.

10.17 Payment of Monies:

The parties acknowledge and agree that any payment of monies required to be made hereunder shall be made in Canadian funds and that any tender of monies or documents hereunder may be made upon the solicitors acting for the party upon whom the tender is desired and it shall be sufficient that a negotiable bank draft is tendered instead of cash.

10.18 Singular, Plural and Gender:

Wherever the singular, plural, masculine, feminine or neuter is used throughout this Agreement the same shall be construed as meaning the singular, plural, masculine, feminine, neuter, body politic or body corporate where the fact or context so requires and the provisions hereof.

10.19 Binding Effect:

This Agreement shall ensure to the benefit of and be binding upon the successors and permitted assigns of each of the parties.

10.20 Assignment:

Neither party shall assign its interest in this Agreement, or any part hereof, in any manner whatsoever without having first received written consent from the other party, such consent not to be unreasonably withheld.

**IN WITNESS WHEREOF** the parties have executed this Agreement effective as at the date first above written.

Schedule A

Commission Wastewater Receiving Station

5610-34th Street

## Schedule B – Wastewater Characteristics and Requirements

RESTRICTED WASTEWATER CONTAMINANTS WITH MAXIMUM CONCENTRATIONS (mg/L)			
Substance	Max	Substance	Max
Aluminum	50 mg/L	Iron	50 mg/L
Antimony	1.0 mg/L	Lead	1.0 mg/L
Arsenic	1.0 mg/L	Manganese	1.0 mg/L
Barium	3.0 mg/L	Mercury	0.1 mg/L
Beryllium	5.0 mg/L	Methylene Chloride	0.2 mg/L
BETX(Benzene, Ethyl Benzene, Toluene, Xylene)	1.0 mg/L	Molybdenum	4.0 mg/L
Biochemical Oxygen Demand(BOD)	300 mg/L	Nickel	0.50 mg/L
Boron	1.0 mg/L	Phenolic Compounds	0.10 mg/L
Bismuth	5.0 mg/L	Phosphates	50 mg/L
Cadmium	0.05 mg/L	Phosphorus	10 mg/L
Chemical Oxygen Demand (COD)	1000 mg/L	Selenium	1.0 mg/L
Chlorides	1500 mg/L	Silver	1.0 mg/L
Chromium	1.0 mg/L	Sulphate	1500 mg/L
Cobalt	5.0 mg/L	Sulphide	1.0 mg/L
Chlorinated Hydrocarbons	0.02 mg/L	Tetrachloroethylene	1.0 mg/L
Chloroform	0.05 mg/L	Tin	5.0 mg/L
Copper	0.50 mg/L	Titanium	5.0 mg/L
Cyanide	1.0 mg/L	Trichloroethylene	1.0 mg/L
Dichlorobenzene (1,2 & 1,4)	0.1 mg/L	TKN (Kjedahl)	100 mg/L
Fluoride	10.0 mg/L	Total Suspended Solids	300 mg/L
Fats, Oil & Grease (FOG) – Synthetic Hydrocarbon	15 mg/L	Vanadium	5.0 mg/L
Fats, Oil & Grease (FOG) – Animal or Vegetable	100 mg/L	Zinc	1.0 mg/L
Hydrocarbons	50 mg/L		

### Prohibited Items

1. **No Person shall, discharge into the Commissions Wastewater Receiving Station and any Wastewater facility or infrastructure, or allow wastewater which causes or may cause, or results or may result in:**
  - (a) Is a Health or Safety Hazard to persons, property, or animals;
  - (b) Obstructions or Restrictions to the facility or to the flow of wastewater;

- (c) An offensive odor emanating from the wastewater entering the Commissions Wastewater Receiving Station, and without limiting the generality of the foregoing, sewage containing hydrogen sulphide, mercaptans, carbon disulphide, other reduced Sulphur compounds, amines or ammonia in such quantity that may cause an offensive odor;
  - (d) Damage to wastewater facilities or infrastructure;
  - (e) Interference with the operation and maintenance of wastewater facilities or infrastructure;
  - (f) May impair or interfere with any Wastewater Treatment process;
  - (g) No deposit of sludge from anywhere;
  - (h) No deposit of wastewater effluent from a Municipal wastewater facility that is in violation of any Provincial or Federal Acts or Regulations.
2. **No person shall discharge, into the Commissions Wastewater Receiving Station or Wastewater Infrastructure, Wastewater with any one or more of the following characteristics:**
- (a) A pH less than 5.5 or greater than 9.5;
  - (b) Two or more separate liquid layers;
  - (c) A temperature greater than 65 degrees Celsius; or
  - (d) Liquid collected from grease traps.
3. **No person shall discharge into the Commissions Wastewater Receiving Station or Wastewater Infrastructure, Wastewater containing one or more of the following:**
- (a) Combustible liquid;
  - (b) Fuel – Gasoline or Diesel;
  - (c) Ignitable waste including but not limited to, flammable liquids, solids, and/or gases, capable of causing or contributing to explosion or supporting combustion in wastewater facilities;
  - (d) Detergents, surface-active agents or other substances that may cause excessive foaming in the wastewater facilities;
  - (e) Wastewater containing dyes or coloring materials which pass through wastewater facilities and discolor the wastewater facility or effluent;
  - (f) Lime slurry and residues;
  - (g) Pathological waste in any quantity;
  - (h) Material containing polychlorinated biphenyls (PCBs);
  - (i) Pesticides;
  - (j) Reactive materials;
  - (k) Radioactive substances;
  - (l) Leachate, except where the discharger has written permission from the municipality

# **INSTRUCTIONS FOR USING**

## North Red Deer Regional Wastewater Services Commission (NRDRWWSC) - Septage Receiving Station (Lacombe)

---

1. ENTER YOUR 4 DIGIT "USER ID NUMBER"                      PRESS "ENTER"
2. ENTER 4 DIGIT "USER PIN NUMBER"                              PRESS "ENTER"
3. IS HOSE CONNECTED?    PRESS "START".
4. WHEN LOAD IS DONE    PRESS "STOP"
5. SYSTEM WILL AUTOMATICALLY STOP IF NO FLOW IS DETECTED FOR 2 MINUTES.
6. IF, MORE TIME IS REQUIRED TO EMPTY LOAD - PRESS "START" (Max. of 120 seconds)
7. YOUR LOAD MAY BE SAMPLED
8. AFTER INLET VALVE CLOSSES, SYSTEM WILL INITIATE FLUSHING CYCLE

### **IMPORTANT NOTES**

The Station is equipped with an internal heater to maintain the equipment at a reasonable temperature.

Please remember to close the small display door when you are finished using the Station.

This Station is equipped with a flow meter that must be submerged at all times. Please allow your tanks to drain by gravity so air is not passed through the meter. Air passing through the meter could cause the meter to report higher volumes.
